

The Civil Engineering Program of Universidad de San Martín de Porres signed a collaboration agreement with Universidad Andrés Bello in the city of Concepción - Chile.

- **April 24, 2023**

- On April 11, 2023, a commission of the Civil Engineering Program of the Universidad de San Martín de Porres traveled to Chile for the protocol ceremony of the signing of the Framework Agreement of collaboration with the Universidad Andrés Bello of the city of Concepción - Chile.
- This agreement will allow academic collaboration, exchange of teachers and students, research and other activities for the benefit of both institutions. The Universidad de San Martín de Porres, in its work of continuous improvement, continues its commitment to internationalization in all its faculties. The Faculty of Engineering and Architecture (FIA) has been working for our students to live a learning experience without borders, to take on new challenges and enriching experiences, offering them knowledge tools that allow them to be prepared for life, have a wide network of contacts and know how to adapt to changes in times of globalization.
- Master Arnaldo Falcón Soto, Director of the Civil Engineering Program, participated in the protocol signing with Dr. Carlos González Correa, Vice Rector of the Universidad Andrés Bello, Concepción campus, on behalf of the Dean of FIA - USMP. Eng. Paula Rojas Julián and Eng. Felipe García Bedoya, accompanied the Director of the Civil Engineering Program in this ceremony.
- We are grateful for the coordination and academic collaboration of Eng. Manuel Esteban Chávez, Director of Civil Engineering at the Concepción campus, as well as to Mauricio Toledo, Director of Civil Engineering at the Santiago de Chile campus of the Universidad Andrés Bello.

On April 11, 2023, on behalf of the Dean of the FIA - USMP, Mr. Arnaldo Falcón Soto, Director of the School of Civil Engineering, participated in the signing of the UNIVERSITY MOBILITY AGREEMENT with Dr. Carlos González Correa, Vice Rector of the Universidad Andrés Bello, Concepción campus.
